

Poole Grammar School Music Department 2024 - 2025

Dear New Students and Parents,

I am writing to inform you of the musical opportunities for your son in the Music Department here at Poole Grammar School. We normally have a very busy programme of activities, with many students in every year group involved in music making to a high standard. But we don't want music to be for the select few; we want it to be accessible, engaging and inspiring for all!

The Music Department has purpose-built accommodation in the Ashley Thorne Building, opened in 2010. Facilities include two music classrooms, two large music studios, five small practice studios and a recording studio. In addition, the Cleave Hall is a large multi-purpose performance space, shared with the Drama Department.

Many performances take place throughout the year at school and in the community. In the summers of 2014, 2015, 2017 and 2018, we were delighted that the PGS Concert Band, Senior Percussion Ensemble and Big Band were invited to the National Festival of Music for Youth, performing at Birmingham Conservatoire, the iconic Birmingham Symphony Hall and Birmingham Town Hall. We are delighted to be part of the festival again this year! In the past, the PGS Big Band have played for the Christmas shoppers in Wimborne Square, for the switching-on of Christmas lights. We have also been invited to perform for a second year at the Swanage Jazz Festival and the orchestra are looking forward to a musical tour of Germany in the summer.

There are many great opportunities for music-making in the school and we look forward to supporting your son's future musical progress. I do hope your son will enjoy the musical opportunities here.

I ask you to supply information to me at Poole Grammar School by completing the online Instrumental Tuition form. I am particularly keen to have accurate information regarding Instrumental Tuition, so that I can make the necessary staffing arrangements in good time.

Even if your son is not a specialist musician, his musical development is important to us. It is very useful for us to see students' previous musical experience so that we can give appropriate classroom opportunities, in addition to the extra-curricular ensembles. Please complete the online form for our Music Ensembles if you want to register an interest.

With many thanks and best wishes.

Autumn Term 2024

Arts Showcase

In September, the Music, Drama and Art departments will join forces to present an Arts Showcase. This is a great way to feature some of the talent here at Poole Grammar and inspire new students to get involved in arts activities.

PGS Autumn Concert

Preparations for the Autumn Concert will take place in extra-curricular sessions during the Autumn Term. This concert will showcase the work of all our PGS Ensembles. This will include our re-launched PGS Voices. All parents and friends are most welcome.

Poole & Parkstone Grammar Schools – Into the Woods

We alternate the running of a major musical show, every other year, with Parkstone Grammar School. This year, Parkstone take the lead with a production of Into the Woods, written by Stephen Sondheim, featuring a full cast and band.

Battle of the Bands

Continuing its success of previous years, we will be holding another Battle of the Bands later in the autumn term. This is always preceded by an enormous amount of practice coming from the rooms of the Music Department. Tensions will build and aspirations will rise until the bands are finally unleashed onstage for that epic moment!

Poole Schools' Music Association Christmas Concert

Musicians from Poole Grammar School join forces with students from Poole Schools to present an evening of festive music at Poole's Centre for the Arts, in the Lighthouse Concert Hall. We are looking forward to returning to this venue following the pandemic.

PGS Christmas Festival Service

A regular event in our calendar is the annual Christmas celebration. Supported by the Parent Staff Association Choir, we will present a service of readings and carols at a nearby church (venue tbc).

Spring & Summer Terms 2025

A variety of musical events takes place throughout the year, including workshops for students, joint concerts with Parkstone Grammar School and plenty of informal music-making around the Music Department!

Music Ensembles

Those students having music tuition at the school also make a contribution to one or more ensembles, as appropriate. However, students having tuition out of school are equally welcome to participate in PGS Music Ensembles.

Big Band - Trumpeters, Trombonists, Saxophonists, Rhythm Section (drums, bass, piano, guitar) Grade 4 upwards

Brass Ensemble - Brass players of varying ability.

Jazz Band - Woodwind & Brass players, Rhythm Section (drums, bass, piano, guitar) Grade 2 upwards, plus rhythm section.

Joint Concert Orchestra* – wind, brass, string and percussion players, Grade 2/3 upwards.

Joint Orchestra* – wind, brass, string and percussion players of higher standard. Grade 4 upwards

* Both these ensembles currently run at Parkstone Grammar School, so our students go down the road after school on a Tuesday to join forces with theirs, to work on a range of enjoyable music repertoire.

Music Theory Club - A weekly lunchtime support session for those wanting to improve their understanding of Music Theory.

Percussion Ensemble (Junior) - Any percussionists and keyboard players.

Percussion Ensemble (Senior) - Percussionists and keyboard players, grade 5 upwards.

PGS Voices - All welcome.

PSA Voices - All adult singers, parents and friends, are invited to come and sing. No previous experience is necessary, just enthusiasm and commitment. Some long-standing members of the PSA Voices have sons who left the school some time ago! A great opportunity to become part of the Music community at Poole Grammar School.

Woodwind Ensemble - Flute, Clarinet & Saxophone, varying ability.

All students are encouraged to participate fully in the musical life of the school, through membership of one or more of these Ensembles. Regular attendance is expected as a commitment – so that Music Department staff can help students achieve the highest standards.

Music Studio Bookings - There are plenty of opportunities for students to get involved in informal music making in the Music Department; depending on Music Tuition in progress at any time, some of the Music Studios may be available to book at lunchtimes and after school.
